

My 1st Day of School

Grade K

2016

I will have fun on my
first day of
kindergarten at
Frenchtown School.

When I arrive at
Frenchtown School,
the teachers will wave
and smile at me.

I will walk down to
my new classroom
and see my own
teacher.

She will show me
where to put my bag
and show me my
desk.

Other children will arrive and do the same thing. They are my new classmates.

Some of the children
will wave to me and
say “hi”. Some might
be shy and not say
anything at all.

It is nice to say “hi” to
my new classmates
and tell them my
name.

I will make a new
friend this year in my
class.

My teacher will tell us
what we will do
during the school day.
She has a special plan
for the class.

I will have so much fun on my 1st day of school.
